

A.S.D. HANDBALL GUARDIAGRELE
Via Occidentale, 123
66016 Guardiagrele (CH)

Dear Federation

The A.S.D. Handball Guardiagrele is affiliated to the FIGH (Handball Italian Federation) since 1985.

Since then it is committed to handball activities and in the last season it took part at the female A2 league and male B league, in addition to other young championships, and it involves, thanks to various school projects, about 100 boys and girls every year.

The athletes mainly came from Guardiagrele (a small town of about 9.000 citizens placed in Abruzzi region,) and from neighboring towns.

For the 2018/2019 season, that will start at the end of August / beginning of September, the company needs to hire a sports technician (both male or female) that has to take care of the whole company activities and, in particular, the youth sector and the school projects.

We are reaching to your Federation to ask you to report us any technician that is interested in our offer and in moving to Guardiagrele.

You can send us your information and CV to the following email addresses:

massimomattioli@studiomattioli.net

and

cellini.andrea@hotmail.it

The candidate will be promptly contacted to arrange everything (especially the work contract).

Kind regards

Guardiagrele, 14 maggio 2018

A.S.D. HANDBALL GUARDIAGRELE
